27. The recipient agrees to provide OVW with specific information regarding subgrants made under this program. The recipient agrees to submit an annual report that includes (a) an assessment of whether stated goals and objectives were achieved; (b) information on the effectiveness of the activities carried out with the amounts made available to carry out the program, including number of persons served and the numbers of persons seeking services who could not be served; (c) information on each subgrant awarded; and (d) such other information as the Attorney General may prescribe. (Grantees are required to submit this report after the end of each calendar year but no later than March 30 each year. Grantees are required to submit this information on the Annual STOP Administrators' Report form (which is to be completed by State Administrator) and the Annual Progress Report for STOP Violence Against Women Formula Grant Program form (which is to be completed by subgrantees)).
28. Under the Government Performance and Results Act (GPRA), VAWA 2000 and subsequent legislation, grantees and subgrantees are required to collect and maintain data that measure the effectiveness of their grant-funded activities. Accordingly, the grantee agrees to submit annual electronic progress reports on program activities and program effectiveness measures and to require submission of reports by subgrantees. Grantees and subgrantees are required to collect the information that is included on the Measuring Effectiveness Progress Reports for the OVW Program under which this award is funded.
29. A final report, which provides a summary of progress toward achieving the goals and objectives of the award, significant results, and any products developed under the award, is due 90 days after the end of the award. The Final Progress Report should be submitted to the Office on Violence Against Women through the Grants Management System with the Report Type indicated as "Final".
30. The recipient agrees that it will submit quarterly financial status reports to OVW on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
31. The grantee agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers. The recipient's participation is critical for effective administration of the STOP Formula Grant program and to ensure adherence to statutory provisions.
32. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.
33. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under the project to OVW not less than twenty (20) days prior to public release. 34. All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. 35. All materials and publications (written, visual, or sound) resulting from subgrant award activities shall contain the following statements: "This project was supported by subgrant No. _____ awarded by the state administering office for the STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice, Office on Violence Against Women."
36. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
37. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.
38. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. The Office on Violence Against Women reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, in whole or in part (including in the creation of derivative works), for Federal purposes, and to authorize others to do so.

The Office on Violence Against Women also reserves a royalty-free, nonexclusive and irrevocable right to reproduce publish or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient of this award, for Federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

SPECIAL CONDITIONS

39. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: <http://www.ovw.usdoj.gov/docs/ffata-award-term.pdf> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own and/or operate in his or her name).
40. The recipient agrees that no amount of the 10% administrative funding of this grant will be used for dues or membership fees to an organization conducting any type of lobbying, including advocating with government agencies for policy change.
41. The recipient understands and agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on recipient's funds for noncompliance with any of the requirements of 42 U.S.C. 3796gg-4 (regarding rape exam payments), 42 U.S.C. 3796gg-4(e) (regarding judicial notification), 42 U.S.C. 3796gg-5 (regarding certain fees and costs), and 42 U.S.C. 3796gg-8 (regarding polygraphing of sexual assault victims). Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.
42. The grantee agrees that of the 30 percent of funds allocated to victim services, 10 percent will be distributed to culturally specific community-based organizations. The grantee understands that "culturally specific" means "primarily directed toward racial and ethnic minority groups," which are defined by 42 USC 300u-6(g) as "American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics." Further, the grantee agrees to recognize and meaningfully respond to the needs of underserved populations and ensure that monies set aside to fund linguistically and culturally specific services and activities for underserved populations are distributed equitably among those populations.
43. The federal share of a grant made under the state formula program may not exceed 75 percent of the total costs of the total projects described in the application, including administrative costs. The recipient also agrees to the following:
 - 1) The costs of projects awarded to victim service providers (non-profit organizations or governmental rape crisis centers not in territories) for the purpose of providing victim services, and the cost of projects for tribes, do not count toward the total cost of the projects in calculating the match.
 - 2) Victim service providers receiving STOP subgrants will not be required by the State to provide matching dollars.
 - 3) The state will verify that victim service providers that are nonprofit organizations will be organizations that are described in section 501(c)(3) of the Internal Revenue Code of 1986 and are exempt from taxation under section 501(a) of that Code.
 - 4) The State will provide no less than 25 percent matching funds for subgrants awarded to victim service providers under any allocation other than victim services unless granted a waiver or partial waiver by OVW.
44. The grantee agrees that no more than 5 percent of the state's award may be used to conduct public awareness or community education campaigns or related activities to broadly address domestic violence, dating violence, sexual assault or stalking. Grant funds may be used without limit to support, inform, and outreach to victims about available services.

45. The grantee agrees that not less than 20 percent of the amount granted shall be allocated for programs and projects in 2 or more allocations (victim services, law enforcement, prosecution, courts) that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.
46. The grantee agrees to provide OVW, within ten (10) days of release, a copy of its announcement of the availability of funding under this program (e.g., the request for applications, announcement of general funding availability, or announcement of program priorities issued in connection with this program).
47. The grantee agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the grantee. The legal assistance eligibility requirements are: (1) any person providing legal assistance through a program funded under this Grant Program (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, stalking or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide; (2) any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a State, local, territorial, or tribal domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate State, local, territorial and tribal law enforcement officials; (3) any person or organization providing legal assistance through this Program has informed and will continue to inform State, local, territorial or tribal domestic violence, dating violence, stalking or sexual assault programs and coalitions, as well as appropriate State and local law enforcement officials of their work; and (4) the grantee's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, stalking or child sexual abuse is an issue.
48. The recipient agrees in making subgrants under this award to give priority to areas of varying geographic size with the greatest demonstration of need; to take into consideration the population of the geographic area to be served; to distribute monies equitably on a geographic basis, including nonurban and rural areas of various geographic sizes; and to identify and address the needs of underserved populations.
49. The grantee agrees that grant funds will not be used to support the purchase of standard issued law enforcement items, such as, uniforms, safety vests, shields, weapons, bullets, and armory or to support chemical dependency or alcohol abuse programs that are not an integral part of a court-mandated batterer intervention program.
50. The recipient understands and agrees that it has a responsibility to monitor its subrecipients' compliance with applicable federal civil rights laws. The recipient agrees to submit written Methods of Administration (MOA) for ensuring subrecipients' compliance to the Office of Justice Program's Office for Civil Rights at CivilRightsMOA@usdoj.gov within 90 days of receiving the grant award, and to make supporting documentation available for review upon request by the Office of Justice Program's Office for Civil Rights or any other authorized persons. The required elements of the MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, "Civil Rights Compliance Specific to State Administering Agencies."
51. The recipient jurisdiction has submitted an Assurance to Utilize Department of Justice Grants to Achieve Full Compliance with the National Standards to Prevent, Detect, and Respond to Prison Rape. The recipient agrees to abide by the terms of that assurance, including notifying DOJ of any inaccuracy if the Chief Executive checked box 2 on the form. If the Chief Executive did not select box 2, then the state agrees that 4.75 percent of the award will be used to come into full compliance with the standards issued under the Prison Rape Elimination Act. The state will submit a plan for how the reallocated funds are to be spent, using a form supplied by OVW. The state agrees to follow the submitted plan unless a Grant Adjustment Notice (GAN) is approved for a deviation.

Mr. Derin Myers
Pennsylvania Commission on Crime and Delinquency
3101 North Front Street
Harrisburg, PA 17110-1310

Dear Mr. Myers:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, *Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The DOJ regulation, *Equal Treatment for Faith-Based Organizations*, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(e); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See *Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964* (June 2013), available at http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEO (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see http://www.ojp.usdoj.gov/funding/other_requirements.htm.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston
Director

The STOP Violence Against Women Formula Grant Program was authorized by the Violence Against Women Act in 1994 and reauthorized and amended by the Violence Against Women Act of 2000, the Violence Against Women and Department of Justice Reauthorization Act of 2005, and the Violence Against Women Reauthorization Act of 2013. The STOP Program continues to encourage the development and implementation of effective, victim-centered law enforcement, prosecution, and court strategies to address violent crimes against women and the development and enhancement of victim services in cases involving violent crimes against women. It envisions a partnership among law enforcement, prosecution, courts, and victim services organizations to enhance victim safety and hold offenders accountable for their crimes against women.

The Office on Violence Against Women, U.S. Department of Justice will award \$137,121,824 in Fiscal Year 2015 STOP formula grants. Each state, territory, and the District of Columbia will receive a base award of \$600,000 and a portion of the remaining funds in amounts determined by the size of the states' populations.

Each STOP grant recipient must allocate 30 percent of the award for victim services (of which 10 percent must be allocated to culturally specific community-based organizations), 25 percent each for law enforcement and prosecution, and five percent to courts. The remaining 15 percent may be awarded at the state/territory's discretion within the statutory parameters of the program. Goals for the grant are to develop and strengthen law enforcement, prosecution, and court strategies to combat violent crimes against women and to develop and strengthen victim services, including community-based culturally-specific services, in cases involving violent crimes against women.

The timing for performance of this award is 24 months.
