1. Eligible Applicants

a) Can you please provide more detail about what qualifies as a nonprofit victim service agency for the purposes of this application? For example, is a nonprofit organization that provides victim services eligible to apply?

Answer: Eligible applicants are county governments and non-profit victim service agencies in regions, counties or communities that currently do not have a formalized Sexual Assault Response Team (SART). County governments and non-profit victim service agencies that currently have a SART are eligible to apply, however, the application must show expansion into a county/region that the SART does not currently serve. It is incumbent upon the applicant to determine if they are an eligible applicant. Please refer to Section 4, page 6 of the Funding Announcement for details on eligible applicants. This section also includes Federal and Pennsylvania specific requirements.
