**Funding Announcement Title: 2023-24 Indigent Defense Grant Program**

**Funding Stream: FY 2023-24 Indigent Defense Grant Funds**

**1. Overview:**

The Pennsylvania Commission on Crime and Delinquency (PCCD) is now accepting applications from eligible entities for funding under the 2023-24 Indigent Defense Grant Program.

**NOTE: This is a noncompetitive, formula-based funding opportunity to provide grants to all Pennsylvania counties for the improvement of local indigent defense services.**

Act 34 of 2023 (Article II-F, Section 203-F of the Fiscal Code) established the Indigent Defense Advisory Committee (IDAC) within PCCD. The IDAC is tasked with a number of duties and responsibilities under the law, including the development of standards, training, and related professional development resources for attorneys representing indigent defendants; county- and state-level data collection and analysis; and preparation of biennial reports. The IDAC is also responsible for advising on the approval and disbursement of grants under the Indigent Defense Grant Program.

The FY 2023-24 Pennsylvania state budget appropriated state funding to PCCD for this new grant program. Under this non-competitive solicitation, there is a total of \$6,750,000 in state FY 2023-24 Indigent Defense Grant Program funds available for formula-based grants to counties.

The goal of this grant program is to improve the capacity and effectiveness of indigent defense services in Pennsylvania through efforts to recruit and retain staff; improve data collection and reporting capacity; obtain necessary training, professional development, and technical assistance; and fill any other gaps identified by the county, in consultation with indigent defense service providers.

The FY 2023-24 Indigent Defense Grant Program is also consistent with an initial set of proposed minimum standards established and adopted by the IDAC on April 23, 2024, which have been submitted to the PA Supreme Court for their consideration and adoption:

***STANDARD 1: Funding, Structure, and Oversight***

*(Aligned with American Bar Association [ABA] Principle 2: Funding, Structure, and Oversight)*

*The responsibility to provide indigent defense representation rests with the state; accordingly, there should be adequate state funding and oversight of Indigent Defense Providers. Where county case volume allows, indigent defense should be a mixed system: primarily dedicated public defender offices, augmented by additional Court Appointed/Conflict Counsel to handle overflow and conflict of interest cases. The compensation for lawyers working for Public Defender Offices should be appropriate for and comparable to other publicly funded lawyers. Public defender salaries and benefits should be no less than the salaries and benefits for prosecutors. Court Appointed/Conflict Counsel should be paid a reasonable fee, in a timely manner, that reflects the cost of overhead and other office expenses, as well*

*as payment for work. Investigators, social workers, experts, and other staff and service providers necessary to indigent defense for all Indigent Defense Providers should also be funded and compensated in a manner consistent with this Principle. There should be at least parity of resources between Indigent Defense Providers and the prosecution.*

**STANDARD 2: Essential Components of Effective Representation**

*(Aligned with ABA Principle 9: Essential Components of Effective Representation)*

*Indigent Defense Providers should adopt a client-centered approach to representation based around a client's needs and working with them to achieve their goals. Indigent Defense Providers should have sufficient assistance of investigators, social workers, mitigation specialists, experts, trial litigation support, paralegals, and other specialized professionals necessary to meet indigent defense needs. Funding for such services should be provided to and controlled by Indigent Defense Providers. Additional contingency funding should be made available to support access to these services as needed. Indigent Defense Providers should address collateral issues that are relevant to their clients' cases. Indigent Defense Providers can offer direct assistance with such issues or establish collaborations with, or provide referrals to civil legal services organizations, social services providers, and other lawyers and non-lawyer professionals.*

**2. Funding Availability:**

A total of \$6,750,000 in Indigent Defense Grant Program funding provided by the state budget and allocated to PCCD under Act 34 of 2023 is available for this solicitation. PCCD expects to fund up to 67 grants with budgets not to exceed the maximum county budget allocations detailed in Appendix A. The Indigent Defense Advisory Committee approved a funding framework that established a multi-factor formula for allocating FY 2023-24 Indigent Defense Grant Program funds, including a base allocation for all counties as well as additional factors that measure overall drivers of demand for local indigent defense services.

**Counties may not submit applications requesting funds in excess of the allocation amounts listed in Appendix A.**

Award letters will be available in Egrants as soon as possible after the applications are approved.

**Note:** PCCD is not liable for costs incurred prior to the official start date of the award.

**3. Project Dates:**

Applications approved at the June 12, 2024 Commission meeting will be 18-month projects and have a start date of July 1, 2024 and an end date of December 31, 2025.

**4. Eligible Applicants:**

All counties in Pennsylvania are eligible to apply under this initiative.

**Note:** Counties shall ensure funding awarded under this solicitation supports their county's public defender office (and court-appointed counsel, if applicable), as well as any non-profit corporations that serve as the county-wide provider of indigent defense services. Counties may utilize subawards to satisfy this requirement.

**5. Eligible Program Activities and Expenses:**

**Note:** Funding requests must align with standards adopted by the IDAC and recommended to the Pennsylvania Supreme Court (see page 4). Applicants will be asked to describe their current efforts and capacity related to these standard(s) and how activities included in their proposed budget detail would help the county meet the standards if they currently do not meet them.

Funds may be used to support any, all, or one of the following:

- a. Salaries and benefits for full- or part-time staff (including, but not limited to, attorneys, social services staff, investigators, paralegals, other administrative staff, etc.);
- b. Efforts to recruit, promote, and/or retain staff (e.g. bonuses);
- c. Efforts to improve data collection and reporting capacity (e.g. purchasing or upgrading case management software, other data-related expenses);
- d. Training and professional development expenses for staff, including costs associated with consultants and/or travel;
- e. Obtaining technical assistance for staff to improve delivery of indigent defense services, including supports related to data collection/analysis/reporting, professional development, organizational development, etc.;
- f. Travel/transportation expenses;
- g. Supplies and equipment; and
- h. Any other costs associated with gaps or needs identified by the county in consultation with those providing indigent defense services necessary to improve capacity and effectiveness.

All expenses must be described in the Justification box located in the Egrants Budget Detail section.

**Note:** PCCD has approval of all final budgets and may require budget adjustments.

**6. Ineligible Program Activities and Expenses:**

The following activities are not eligible for funding and may be administratively rejected:

- a. Any activity that supplants existing county-level spending on indigent defense services, as required by Section 203-F(k)(4) of the Fiscal Code;
- b. Construction;
- c. Land acquisition;
- d. Lobbying and political contributions;
- e. Vehicle purchases; and
- f. Any activity not related to the provision of indigent defense services or that fall significantly outside of the scope of this funding announcement.

PCCD reserves the right to require applicants remove items from the proposed budget that are deemed ineligible or inappropriate.

**7. Additional Funding Considerations**

Counties are strongly encouraged to consider methods to streamline the identification of indigent defendants' eligibility for services and to reduce barriers to representation.

Counties are also strongly encouraged to utilize funding for activities that can assist with planning, tracking, and assignment of cases to improve the reasonableness and appropriateness of attorney workloads, including utilizing case management systems or similar protocols, if necessary.
