2020 Constable Training Curriculum

80-Hour BASIC TRAINING

All newly elected constables or appointed deputy constables are required, under Act 49-2009 §7142(a) to attend and successfully complete Basic Training in order to perform judicial duties and be paid. Constables and appointed deputy constables must be registered with PCCD. At the February 14, 2019 Constables Education and Training Board (Board) Meeting, the Board voted a constable or deputy constable who is elected or appointed must pay for the expense of the basic training course and the basic firearms training course starting January 1, 2020. The cost of a basic training course and basic firearms training course will be determined by Program Staff and published yearly. For 2020, the cost of Basic Training is $1,125.00 and the cost of Basic Firearms is $1,485.00. The Pennsylvania Commission on Crime and Delinquency (PCCD) approved this change at its September 11, 2019 meeting.

Refer to Title 37 Law, Chapter 431, for regulations relating to the certification of constables and deputy constables. To successfully complete Basic Training, an individual must attend and participate in all training as scheduled during the same training year, achieve a passing score of at least 70% on each written examination administered during the Course, and successfully demonstrate practical skills during each proficiency examination. Constables and deputy constables are tested in each of the subjects listed below. An individual who receives less than 70% on any written exam will have only one opportunity to re-test in that subject. If an individual fails the re-test, that individual has failed the Basic Training Course and will not be certified by the Board.

Based upon successful completion of Continuing Education by November 30, 2020, constables and deputy constables will be issued certification cards in December 2020, which will indicate certification for 2021.

Every Constable’s Worst Nightmare (4-Hours)
Constables, when performing assigned duties, face risk every day. Constables are trained to recognize and minimize risk whenever possible. However, there are situations when constable can follow the law, effectively use their training, take reasonable precautions, and still have a situation degrade suddenly and lead to a disastrous outcome. In this 4-Hour module, constables will examine one such situation wherein a constable who was
performing an eviction pursuant to an Order for Possession faced a sudden and violent threat from an armed subject that led to the death of an innocent 12-year-old girl. Constables will examine the factors that lead up to the incident; what the constable knew prior to the incident; and his actions before, during, and after the encounter. The course also looks at information that, if it were known to the constable prior to the incident, would have likely changed the outcome. This course will examine the legal aspects of the incident, the necessity of having a plan, and the importance of training and skill development. This course will also review the support mechanisms that were made available to the constable in the aftermath and how the constable dealt with law enforcement, prosecutors, and the media. The course will also deal with the personal and psychological costs that followed the incident. This course includes a written examination.

**Judgmental Use of Force (4-Hours)**

This 4-Hour course uses a small arms simulator’s (Laser Shot) judgmental video-based scenario capabilities to provide constables with the ability to engage in a series of vignettes to reinforce their use of force decision-making skills. The course includes a review of relevant federal case law including Tennessee v. Garner and Graham v. Connor as well as Pa. Title 18, Chapter 5. General Principles of Justification. Additionally, practical skills such as pre-planning and cover and concealment will be reviewed. Participation is mandatory for every constable in both labs: use of force judgmental scenarios based specifically on established constable judicial duties and a basic practical skill walk though re-familiarizing constables with planning warrant service. This course includes a written examination.

**Reacting to Witnessed Criminal Behavior (4-Hours Online)**

Constables are often in locations performing judicial tasks in which they may encounter evidence of, or directly observe, criminal activity. The question arises as to what steps a constable may legally take when they observe possible criminal activity. In this Online course, the role of the constable in the Pennsylvania Judicial system, as well as their role as a peace officer is discussed. The course will review the legal authority of the constable to make arrests without warrants, review applicable statutes and case law, and consider what actions a constable may take in these situations. Plain View Doctrine and what types of actions are permitted when conducting a protective sweep, an eviction, and a levy will be discussed. The course continues with a discussion on what steps a constable may legally follow when evidence of criminal activity is discovered. The course includes a series of scenarios where the constables apply the techniques taught in the course to hypothetical situations. This course includes a written examination.

**40-Hour BASIC FIREARMS**

The 40-Hour Basic Firearms Course is designed to provide an essential grounding in acceptable law enforcement techniques for any constable who is not Act 49 certified with a weapon and who is not precluded under State or Federal law from possessing or using a firearm. The Course consists of a series of lectures, laboratory activities, and practical exercises that provide a basic understanding in the safe manipulation of a service revolver/pistol. It starts with the presumption that the participant has little or no formal training. The Course stresses safe handling techniques, proper cleaning, correct weapons handling skills and marksmanship. As part of the training, the constable will be exposed to firing in reduced light and to interactive judgmental shooting scenarios. It is offered upon the conclusion of the 80-Hour Basic Training Course.
The CQC is divided into two stages. A shooter must qualify on each phase with a score of at least a 75%. The shooter who fails to pass one of the phases will be permitted to repeat the phase on which he or she did not meet the 75% threshold. This Course includes a written exam.

Prior to registering to attend the 40-Hour Basic Firearms training, all constables and deputy constables must complete and submit the PCCD Background Check Form (PCCD Form 214), which can be found on the PCCD website. After the form is submitted, PCCD staff will complete a Background Check to determine eligibility to enroll in the 40-Hour Basic Firearms Course. For 2020, the cost of Basic Firearms is $1,485.00.

4-Hour ANNUAL QUALIFICATION

At the July 9, 2018 Constables Education and Training Board (Board) meeting, the Board voted to eliminate the 20-Hour Annual and 20-Hour Advanced Firearms Training Courses and replace it with a 4-Hour Annual Qualification Course. The Pennsylvania Commission on Crime and Delinquency (PCCD) approved this change at its September 12, 2018 meeting. Constables will sign up for a 4-Hour Annual Qualification Course through the Constables Certification, Education and Training System (CCETS), as they would for any other training.

The 2020 4-Hour Annual Qualification Course will consist of a written test, administrative procedures, safety brief and firing the Constable Qualification Course (CQC) of fire. There will be no practice of the CQC. A Student Firearms Study Guide will be available in CCETS; constables must review and study this Guide prior to attending a 4-Hour Annual Qualification Course. The written test will be on the material in the Student Firearms Study Guide at the start of the 4-Hour Annual Qualification Course. If a constable fails the written test after two attempts, they will be dismissed from the class and will not be given an opportunity to attempt to qualify.

The Student Firearms Study Guide is available in CCETS, see instructions below.

Select “Training” in the upper right-hand corner of the home screen:

Select “Training Materials” from the drop-down list on the left-hand side of the CCETS screen:
You will then be able to search by Training Year and Class Type to see the documents pertaining to the appropriate class. Select the file name and a PDF file will open.

Constables are strongly encouraged to practice the CQC, **for time**, prior to signing up for a 4-Hour Annual Qualification Course. The CQC can be found on the PCCD website at: http://www.pccd.pa.gov/training/Documents/Constable%20Education%20and%20Training/Constable%20Forms/Constables%20Qualification%20Course%20of%20Fire.pdf.

Scoring will only take place at the end of each Phase. Constables are strongly encouraged to practice prior to attending a 4-Hour Annual Qualification Course. Constables should assess their strengths and weaknesses when shooting the CQC and focus their practice on what sections of the CQC they need to improve upon. Constables are encouraged to practice together and see if their local association will conduct a range day to practice the CQC, or find a local firearms instructor for shooting assistance.

### Second Weapons

Qualification with two weapons is permitted, **subject to time constraints and range conditions**. The constable must provide sufficient ammunition for that additional weapon. Constables must qualify with Weapon 1 before they will be permitted to attempt to qualify with Weapon 2.

If a constable fails to qualify with Weapon 1 and re-shoots the portion of the course failed but still fails to qualify, that constable will not be permitted to attempt qualification with Weapon 2.

### Remediation

There will be **no remedial training** if a constable fails a Phase of the CQC during the 2020 4-Hour Annual Qualification and 40-Hour Basic Firearms Courses. Constables will be allowed a second attempt at passing the failed Phase; however, there will be no remediation provided by the instructors. No training ammunition will be provided at the 4-Hour Annual Qualification Course.

If a constable fails either the 4-Hour Annual Qualification or 40-Hour Basic Firearms Course after two attempts, the constable will have failed the Course and will have to pay prior to enrolling in another 4-Hour Annual Qualification or 40-Hour Basic Firearms Course in 2020.
2020 Constables’ Firearms Qualification

The Constable Education and Training Board (“Board”) adopted several changes to the Constable Firearms Qualification Course in 2010. The dual phase qualification was retained, but now uses the more simplified NRA TQ-19 center mass target. The Course of fire reinforces the training received and duplicates “real world” scenarios while still ensuring range safety. The Course of fire includes the use of barricades, the requirement to move to cover, and the use of verbal challenges in each stage.

*There have been no changes made to the Constable Qualification Course for 2020; however, shooters will only sign off on each Phase rather than each Stage on the range sheet.*

Highlights of the Qualification Course

**NRA TQ-19 Center Mass Target**

- Written test scoring at least 75%
- The Course requires that a shooter score at least a 75% in each phase. The constable must qualify on both phases with a minimum raw score of at least 45 out of 60 points for each phase, for a total possible score of 120.
- Barricade Positions at the 15- and 25-Yard Stage.
- Barricade stages involve shooter moving to cover, approximately 1-2 yards.
- Shooters practice verbal commands once per stage.
- Maximum score moves from 300 (5 X 60) to 120 (2 X 60).

Participation in firearms qualification is limited to constables who are current with their training, insurance, and certification. Only constables and deputy constables who are currently in office, and who have achieved certification through Basic Training or the waiver examination, will be allowed to attend any Firearms Qualification Course. Current, valid certification is required before any constable or deputy constable can be enrolled or admitted to any Firearms Course. See Title 37 Law, Chapter 431, for regulations relating to the certification of constables and deputy constables.

Once certified to carry a firearm while performing the duties of a constable under §7148 of Act 49-2009, a constable or deputy constable must annually attend and successfully complete firearms qualification to remain certified to carry a firearm. An annual background check of each individual’s criminal history record is also conducted. Constables and deputy constables who desire firearms certification under §7148 of Act 49 must initially attend and successfully complete the 40-Hour Basic Firearms Training.
Constables who were previously certified to carry a firearm under Act 49 should schedule themselves to attend Annual Firearms Qualification. Firearms classes are distinguished by the following letters in the class ID number. “BF” stands for Basic Firearms and “AF” for Annual Firearms Qualification.

**Necessary equipment for the constable participating in Firearms Qualification:**

1.) Appropriate service handgun of one of the following calibers: 380, 38 Special, 357, 40, 45, 9mm. Refer to Title 37 Law, § 431.43 for regulations relating to firearms qualification.

2.) Appropriate reloading device (recommend at least three speed loaders or three magazines).

3.) Minimum of 60 rounds of service-type, **factory** ammunition for qualification (50 rounds for five-shot revolvers). Constables are encouraged to bring enough extra ammunition for second attempts to qualify (120 rounds total), if necessary. **Reloads are not permitted.**

4.) Duty belt and recommended Level 2 or higher security holster (per Pennsylvania Unified Judicial System’s Constable Policies, Procedures and Standards of Conduct, Section IV. Security and Transportation).

5.) Eye and ear protection, baseball cap, and clothing suitable for inclement weather.

**Please note:** The Training Delivery Contractor may reconfigure the sequence of individual classes to deal with environmental or physical facility issues. When scheduling your Firearms Qualification class, please keep in mind that range and weather conditions vary throughout Pennsylvania.

**Important Notice:** All constables and deputy constables will be required to supply the Program with their weapon information when enrolling into classes in CCETS. All weapon information will be available via drop down lists that have been populated with the exact makes, models, and calibers.

On-Line Course Enrollment

Constables’ Certification, Education and Training System (CCETS)

The PCCD has made access to the Constables’ Certification, Education and Training System (CCETS) available from the PCCD website. A constable's personal information can be accessed only after the constable has properly identified himself during the process of signing-in to the CCETS system.

NAVIGATING THE PCCD WEBSITE

1. Go to: www.pccd.pa.gov

2. When the PCCD Home Page opens, click on the “TRAINING” link in the middle of the page under the picture.

3. You will see “Constables’ Education and Training Board” on the left side of the page. Click on the title and this will take you to the full Constables Education and Training Board webpage.

4. Then, select the link for “Register/Login to CCETS” on the right side of the page. A Keystone Login User Guide is also located on this page for your reference.

5. Once logged into CCETS, you can access your personal information and enroll in a class.

A constable can search the training schedule by region and type of training, select a class, and enroll in it online. When a class is full, the system closes that class and only accepts enrollments from the waiting list. A constable is also able to cancel his or her enrollment for one class and enroll in a different class simultaneously. The system will not allow a constable to enroll in more than one class of a particular type at any given time. The system builds class rosters and automatically moves the first person from the waiting list to the class roster when another constable cancels his or her enrollment. It also tracks who has canceled out of a class.

Training Enrollment Form (to enroll by mail or fax)

Class enrollment with the appropriate regional Training Delivery Contractor is required prior to attending any class. Training classes are filled on a first-come, first-served basis. Class space is limited due to the availability of training facilities, and to provide a proper training environment. Class enrollments cannot be accepted over the telephone.

To enroll by mail or fax, complete an Enrollment Form and mail or fax it directly to the appropriate regional Training Delivery Contractor. Please reference page 6 for each individual region’s schedule for the appropriate fax number. Do not send enrollment forms to PCCD. Only Basic Training and Basic Firearms Enrollment forms must be sent to PCCD.

All training enrollment questions should be referred to the appropriate regional Training Delivery Contractor. Constables cannot enroll in classes by calling, emailing, or mailing PCCD.
PA Constables’ Training Code of Conduct

IMPORTANT NOTICE FOR ALL CERTIFIED CONSTABLES -PLEASE READ

The CETB adopted a new Training Code of Conduct during their February 14, 2019 Board meeting. Changes regarding Online training and attending all hours of training were made. The changes are italicized and underlined in the following version of the Code of Conduct. All certified constable must sign off on this document in order to be eligible to enroll and attend training classes for training year 2020. When you enroll into a class through CCETS, you will be prompted to sign a new Training Code of Conduct. Please read the new form and sign off on it. You will not be able to enroll into a class unless you have signed the form. If you wish to sign a paper version, please see the following pages. The form can either be emailed, faxed, or sent through regular mail service to Program Staff.
PA Constables’ Training Code of Conduct

Constables’ Training Code of Conduct:

I. Testing

A. Mandatory tests and proficiency examinations will be given for each major section of the curriculum. To complete the course and receive certification or recertification, a trainee must pass all mandatory tests and proficiency examinations.

B. Mandatory tests and proficiency examinations will be scheduled and announced to the class in advance.

C. All mandatory test and proficiency examination material must be returned to the instructor supervising each test at the end of the examination period.

D. It is the responsibility of each individual user to secure and protect their User ID and password for any computer systems utilized by the Program. Sharing of or providing the User ID and password, allowing someone else to take your online training or mandatory tests and proficiency examinations, or sharing or receiving mandatory test and proficiency examination questions/answers will be considered cheating.

E. Cheating on examinations will be grounds for discipline by the training provider. Cheating includes, but is not limited to, copying from another person's examination, utilizing references or notes without the instructor or proctor’s approval, theft of test and/or examination materials, removal of test and/or examination materials from the classroom, using test and/or examination materials stolen by another or providing answers to, receiving answers from, or giving assistance to another person during any phase of a testing and/or examination session.

II. Attendance

A. A constable or deputy constable who registers for the Basic Training, Continuing Education or Firearms Qualification Course may withdraw from the course without penalty upon timely notification to the director of the school conducting said course. A notification shall be deemed timely if it is delivered to the director of the school or his or her designee no later than seven calendar days prior to the start of the course. The school may assess a failing grade for all or part of the Basic Training, Continuing Education or Firearms Qualification Course if the constable or deputy constable fails to provide timely notification or to show good cause.
B. A constable or deputy constable must attend and complete all hours of the training course to receive credit for the course. Constables and deputy constables are required to be on time for all training courses and to remain until the completion of the training as determined by the instructor.

III. Unprofessional Conduct:

A. Unprofessional conduct is defined as conduct that reflects poorly upon the image of the Constables’ Education and Training Board (Board) and the Constables of the Commonwealth.

B. Unprofessional conduct is grounds for sanction and the imposition of appropriate disciplinary action.

C. Examples of unprofessional conduct include, but are not limited to: disruptive talking in the classroom; disrespect to instructors; sleeping, eating, or smoking in class; disrupting other activities occurring on the training site; false fire alarm; vandalism; illegal parking; lying to training delivery or Board staff or any other person; refusal to cooperate with staff investigations; and other criminal offenses committed at the training site. Cell phone usage during training classes would be deemed disruptive and disrespectful to the instructors and other students. Utilizing any other electronic device could also be disruptive and disrespectful to the classroom environment.

D. Attendance at training sessions while under the influence of alcohol or illegal drugs is prohibited and is grounds for immediate dismissal from training. Immediate dismissal from a training class while under the influence of alcohol or illegal drugs will constitute a class failure and the constable or deputy constable shall bear financial responsibility for the cost of attending an additional training course.

E. Harassment or discrimination against an individual or group by reason of race, color, familial status, religious creed, ancestry, age, sex, national origin, handicap or disability will not be tolerated and is grounds for dismissal from the course.

   1. Physical Harassment/Abuse: This includes, but is not limited to, unwanted physical contact to include touching, fondling, patting, pinching, kissing and all legal classifications of assault.

   2. Verbal Harassment/Abuse: This includes, but is not limited to, name calling, innuendoes, insults, threats, requests or demands for sexual favors, propositions, questions about a person's sexual practices, lewd comments, ”wolf whistles,” racial, religious, ethnic, or explicit sexual jokes.
3. Visual Harassment/Abuse: This includes, but is not limited to, obscene, explicit or insulting gestures, leering or displays, pictures, objects, materials or crude cartoons.

F. Sexual Harassment: Includes, but is not limited to, unwanted sexual advances, requests for sexual favors and other verbal or physical conduct such as that described above when it is of a sexual nature and when such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

G. All trainees are expected to respect the rights of their fellow classmates.

IV. Disciplinary Action

A. Violations of this Code of Conduct may subject a trainee to disciplinary action.

B. Disciplinary action may include but is not limited to:

1. An oral reprimand;
2. A written warning;
3. Restitution for damages;
4. Dismissal from the training delivery provider for the course of instruction;
5. Permanent bar from the training delivery provider’s training sites.

C. Imposition of disciplinary action by a training delivery provider’s director does not waive the training delivery provider's or the Board's right to impose additional or more severe disciplinary action against a trainee when the circumstances require such action. Imposition of disciplinary action by a training delivery provider’s director also does not waive the training delivery provider’s or the Board’s right to impose no or less severe disciplinary action against a trainee.

D. An Act 49 Constable Training Grievance Form can be used by a constable to file a formal grievance with the Board for any disciplinary action taken against a constable. A copy of this Grievance Form can be found on the PCCD website or by writing to PCCD Bureau of Training Services, PO Box 1167, Harrisburg PA 17108-1167.
Statement of Understanding

I, __________________________, have read and understand the PA Constables’ Training Code of Conduct and agree to abide by its provisions. Refusal to sign off on this PA Constables’ Training Code of Conduct will prohibit the constable or deputy constable from attending Act 49 Constable Training.

Highlights of the CCETS Website for the Constable User

Please Note: All of the following features are only accessible to constables who are registered in CCETS.

Navigation through CCETS is mainly by using the various categories and triangles on the left side. By clicking a triangle, it will expand and provide more links under that category. Also, by clicking on the “Help” link on the screen, a word document will open and provide further information about that screen.

A user can also navigate by using the tabs on the upper right, shown below:

By clicking on the “Constable” a user will see all their basic information. On the upper right side of the screen is a quick snapshot of a constable or deputy’s status regarding certification.

The information on this dashboard will be updated as a constable renews insurance, completes training or has term dates updated by the Clerk of Courts. The Clerk of Courts will have direct access to CCETS to update the constables’ liability insurance and term dates.
By clicking on the “Training” tab, a constable will be able to enroll in a Course. The constable will also be able to view his/her training history.

The class schedule is where constables can search for classes by Region, type of class, or date.
