2017 SHERIFF AND DEPUTY SHERIFF BASIC TRAINING

The Basic Training and Waiver Training schedule for 2017 is provided below. These dates are contingent on approval of training contracts. To be in compliance with Act 1984-2 as amended by Act 2014-114, any deputy hired by the sheriff has one year in which to complete his or her training and be certified by the Sheriff and Deputy Sheriff Education and Training Board (SDSETB). In addition, newly elected or appointed sheriffs are required to complete certification training in accordance with the Training Act.

Sheriffs are required to utilize the on-line enrollment process available through the use of the Sheriff and Deputy Sheriff Information System (SDSIS). Accessing the SDSIS will assist your office in better management of your training needs and requirements. You will have instant access to your deputies training records and the ability to monitor their training status. The SDSIS web address is <https://www.pccddsis.pa.gov>.

Sheriffs and deputies that attend the Basic Training Academy are required to complete four additional on-line training courses for certification. These on-line courses include:

1. Flying While Armed, SDSETB sponsored and offered by Temple University.
2. Introduction to Incident Command for Law Enforcement (IS-100LE), offered by the Federal Emergency Management Agency (FEMA), registration available at <http://training.fema.gov/EMIWeb/IS/is100leb.asp>.
3. National Incident Command (IS-700), offered by FEMA, registration available at <http://training.fema.gov/EMIWeb/IS/is700a.asp>.
4. All Hazards (Module 1 – Hazmat/WMD Awareness and Module 2 – Security Threat Groups), SDSETB sponsored and offered by Temple University.

Sheriffs and deputies eligible to attend the Waiver Training Academy must submit a partial training waiver application, electronically, using the SDSIS. Registration for waiver training will not be available until the waiver application is approved by program staff. All waiver training attendees are required to complete two additional on-line training courses for certification. These on-line courses include:

1. Flying While Armed, SDSETB sponsored and offered by Temple University.
2. Comprehensive Legal Updates, SDSETB sponsored and offered by Temple University.

Included with this Training Bulletin is a copy of the 2016 and 2017 On-Line Training Registration Forms, which is used to enroll in the courses offered by Temple University.
