LOGIN PROCEDURES FOR SHERIFF AND DEPUTY
SHERIFF INFORMATION SYSTEM (SDSIS)

KEYSTONE LOGIN

VERSION 2019-1
LOGIN PROCEEDURES FOR SHERIFF AND DEPUTY SHERIFF INFORMATION SYSTEM (SDSIS)

The Commonwealth of Pennsylvania is changing the way that users log into any Commonwealth website. Currently when users register for a Commonwealth website, they must register with PA Login. After December 20, 2019, users must now register with Keystone Login. Even if you previously registered with PA Login, you must register again with Keystone Login. Please follow the screen shots provided in this document, which will walk you through this process. Once you have registered with Keystone Login this will enable you to log into SDSIS and other Commonwealth websites by using the same Username and Password.

All users including county staff, school staff, sheriffs and deputy sheriffs must register with Keystone Login even if you currently have a PA Login account. You will need to complete this process to access the SDSIS system and to begin the registration process for online training.

There are four slightly different ways to create a new login depending on your current login status. Please read through the entire document before attempting registration/login.

Current SDSIS Users

A. Current SDSIS users who have recently created a Keystone Login account due to other Commonwealth access

To access the Keystone Login website to begin the process use URL: www.pccd.pa.gov

At the bottom of the PCCD Home page you will see a link to “Sheriff and Deputy Sheriff Education and Training System”. Click to access Keystone Login.

The current URL for SDSIS will no longer work. When you get to the Keystone Login Page, please bookmark it for future access or return to the PCCD website.
CURRENT SDSIS USERS
A. CURRENT SDSIS USERS WITH KEYSTONE LOGIN ACCOUNTS

If you have recently created a Keystone Login account through the Commonwealth because of your access to other Commonwealth sites, you should be able to use your current “Keystone username and password”. Simply enter that information at the login page and then select “Login”.

Welcome to SDSIS.

Enter your Keystone Login credentials to log in to Sheriff and Deputy Sheriff Information System (User Acceptance Test)

If you have an existing CWOPA\ or MUSER\ account, you can continue to sign in using that account information.

If you have already signed up for Keystone Login through another state agency’s data-system, please use your Keystone Login information to sign in below.

All other SDSIS_UAT users who do not have a Keystone Login account should click the Register link below.

Submitting will take you into SDSIS. From this point on, utilize your Keystone Login username and password, NOT your old SDSIS username and password.
B. CURRENT SDSIS USERS WITHOUT KEYSTONE LOGIN ACCOUNTS

If you are a current SDSIS user but have not set up a Keystone Login Account you will use the following steps to create your Keystone Login Account. You will need your current SDSIS username and password for this process.

Step #1: At the new login page, select “Not Registered? Register as a new Keystone Login user” at the bottom of the page.

System Announcements:

Welcome to SDSIS.

Enter your Keystone Login credentials to log in to Sheriff and Deputy Sheriff Information System (User Acceptance Test)

If you have an existing CWOPA\1 or MUSER\1 account, you can continue to sign in using that account information.
If you have already signed up for Keystone Login through another state agency’s data-system, please use your Keystone Login information to sign in below.
All other SDSIS UAT users who do not have a Keystone Login account should click the Register link below.
